

KATHERINE HOSIE

LEADERSHIP COACHING FOR CEOs, FOUNDERS & C-SUITE

23 YEARS COACHING | 20,000+ HOURS EXPERIENCE

Master of Science, Evidence-Based Coaching Psychology

Former President, International Coach Federation (ICF) Australasia

Trained Coaching Supervisor, Oxford Brookes University

SELECTED CLIENT OUTCOMES

01 EXECUTIVE TURNAROUND

Helped a newly appointed CEO rapidly transform a change-resistant COO into a forward-thinking, insightful, and engaged leader, equipped to lead the organization through change.

02 LEADING AT SCALE

Coached a CEO overseeing a billion-dollar budget to move beyond reactive detail, establish stronger boundaries, and empower direct reports as the organization tripled in size.

03 FOUNDER RENEWAL

Supported a founder CEO in moving from burnout and overwhelm to revitalizing the culture, attracting elevated talent, securing unexpected capital, and renewing conviction in the business, all in under a year.

ABOUT KATHERINE

Katherine works with senior leaders operating under sustained, high-consequence pressure where borrowed strategies falter and personal authority must be built from the inside out. She has coached full-time since 2003 and supports CEOs, founders, and C-suite executives across industries. She holds a Master of Science, Evidence-Based Coaching Psychology and a Bachelor of Adult Education, with additional training in organizational diagnosis, team coaching, and coach supervision. A former President of the International Coach Federation (ICF) Australasia, she combines evidence-based practice with a humanistic approach to adult development. Based in Greenwich, Connecticut, she works with leaders from New York to Silicon Valley.

IN CLIENTS' WORDS

"She is a force multiplier for technology leaders, capable of taking them and their companies from good to world-class."

SC | CEO

"My achievements with Katherine were and are a fundamental part of my success. Katherine's ability and confidence in challenging sophisticated minds without judgment is a real gift."

AH | COO

"She has an expert command of her practice and instills immediate confidence based on the pattern recognition that comes from her decades of leadership coaching experience."
